CURRENT POSITION

Research Fellow. Institute for Economics & Peace (IEP). Jan 2023–present.

I conduct research and data analysis for IEP's Global Peace Index, a composite indicator of peace in 163 countries.

EDUCATION

PhD, Political Science. Lund University, 2022.

Supervisor: Johannes Lindvall

Mixed methods thesis (monograph), *After Asylums and Orphanages*, investigated the effect of government partisanship on the types of care policies that replaced large psychiatric institutions and orphanages in Western welfare states between 1950 and 2015.

MPhil, Economic and Social History. University of Cambridge, 2015.

Grade: Distinction (highest)

Supervisor: Pedro Ramos Pinto

Courses: Health, welfare & economic growth; institutional economics; European integration.

Dissertation compared public health discourses and policy responses to the health risks associated with alcohol and tobacco in Britain and West Germany between 1948 and 1990.

Bachelor of International and Global Studies (Honours). University of Sydney, 2012.

Grade: First Class (highest)

Majors: Political Economy, History

Courses: History of economic thought; macroeconomics; distribution of income & wealth; global politics; European and Australian economic, cultural & political history.

Dissertation compared education voucher schemes in the USA, Netherlands, and Sweden.
